(b) Change of the designation of the Joint Secy to that of Secy, Mysore State Refugee Relief committee and to invest the Joint Secy with all the powers of the Refugee Comr

Re: (a)

18) The Refugee office is now located in the Residency office building situated in Ulsoor Road while the Red cross is in Shankarpur & the offices are separated by a distance of nearly five miles from each other it is difficult to exercise efficient control over both the offices & in the interest of work it is better if they are located in the same building The Joint Secy. has not suggested on the building in which both

It is not known in which building there is enough room to have the two offices whether the building in which the office of the Red cross is located is a fort building or a rentdone information on these points may perhaps be called for. The Chairman H.S.R.R. committee may also have to be consulted before a decision is taken in the matter of shifting the Refugee office from the present building.

There may perhaps be no objection to change her designation from Joint Secy to Secy as there is no idea of posting another officer to this charge. This is for consideration

S U B M I T T E D:-

In continuation of my Note submitted on taking necessary steps to put an end to the present unsatisfactory arrangement of the undersigned being the Organizing Secretary of the State Branch of the Indian Red Cross Society and the Joint Secretary of the Mysore State Refugee Relief Committee, I wish to state the following facts for your kind consideration.

When I was appointed Joint Secretary to Mysore State Refugee Relief Committee, the Chairman was pleased to order on it that I should report myself for duty as Joint Secretary and to do that work in addition to my work as Organizing Secretary of the State Branch. It may be kindly remembered that at that time there was a full time Refugee Commissioner of the grade of Deputy Commissioner and an Assistant Commissioner in charge of the Refugee Relief work. My work as Joint Secretary, therefore, was more in the advisory capacity with reference to the Welfare Section of the work involved and it was neither expected to be heavy nor different was my normal work.

But, as it happened, on the 23rd February, a week after I took charge, the Refugee Commissioner - Sri. K.P. Ramanathaiya, was transferred as Deputy Commissioner of Kadur District and he was asked to hand over charge to me, which he did. So, from February 23rd to August 7th, I discharged the duties of both the Organizing Secretary and that of the Refugee Commissioner. This naturally involved very heavy work in planning and discharging the duties of affording relief to many thousands of refugees, who flocked to

P.T.O.

the State from Sind and Hyderabad, prior to the Police Action. There have been many reports on how satisfactorily and efficiently those duties and responsibilities have been discharged by me in the 5½ Months of which you, Sir, and the Government of Mysore are well aware of.

Now again on the transfer of Sri. N.S. Hirannayya, he was instructed to hand over charge to me, which he did on 3rd November 1948. The Mysore Refugee Relief Committee, at its meeting held on 12th November, passed a resolution - the first on its Proceedings - that I be appointed Secretary to the Committee and empowered with all the powers of the Refugee Commissioner. A copy of the same is enclosed for ready reference. This clearly shows that the Committee felt that there was no decrease of work or responsibility in that Office. Since then, I am once again doing the full work of the Refugee Commissioner.

The Commissioner's Office and establishment were sanctioned only till the 31st December 1948. The work is still there to be completed, in fact the more permanent and constructive side of the work, involving great care, thought and efficiency, is just beginning. In reorganising the Department, I wish to request that these facts may kindly be taken in the kind consideration of the Government:-

1) That I have been the Refugee Commissioner for nearly eight months - a much longer period that that of both the Refugee Commissioners put together.

2) I bore the brunt of the work in the months of heavy influx of refugees from March to August 1948, when the numbers rose from 3,000 to over 10,000

3) The daily arrivals were ranging from 150 to

250 for whose feeding, clothing, housing, Medical aid and education and employment, I ~~made~~ made arrangements with least expenditure to the Government, or to the Commistee.

4) That the Refugee Commissioners pay was Rs.1,000/- and that of the Assistant Commissioner in the Office Rs.290/- per mensem, with all other privileges included thus effecting a savings of Rs.1,000 + 45 +290 + 33 + 33 + 33 = Total Rs.1,434/- now.

In my Note mentioned above, I have already drawn the attention of the Chairman that the initial step would be to put the two Offices together so that I may have better chance of attending to the work of both. As it is, I am there between 11 and 2 and here between 3 & 6 with many extra hours before and after, which has resulted in heavy strain on me but yet not be conducive to the efficient management of the staff.

I had addressed the Chief Secretary as early as July 1948 requesting the Government that my hands had to be strengthened by confirming my appointment as Refugee Commissioner so that I could discharge the duties of the Department that was put under me easily.

I request you now that the question is again under consideration, that I be appointed Refugee Commissioner and given all the accompanying conveniences which make for the efficient discharge of the duties of that Office.

S U B M I T T E D:-

The post of Refugee Commissioner was abolished as per Government Order No. 2930-34/ C.B. of 31-10-1948; but not his functions. This meant that I was once again given the full responsibility of the Office of the Refugee Commissioner.

2) The fact that the same amount of work had to be done without the de facto head being given the necessary status and power, makes it difficult to get through the responsibility smoothly and efficiently. However, I did my best and it is for Government to judge whether I did on the whole well or ill.

3) I beg to invite the special attention of Government to anamoly of my having to conduct the work of two offices viz., Red Cross and Refugee, separated by a distance of five miles from each other. Apart from the strain on me, it costs me a good deal in time and expenditure both of an avoidable nature.

4) I had requested, therefore, that the following arrangements may be sanctioned immediately pending orders of a more permanent nature, viz., that the two offices may be housed in one and the same building, without which efficient control of both could never be secured.

5) I request ~~you~~ The Government to note that during the life of the Refugee Office of sixteen months, I have been in responsible charge as its head for over eleven months, and this in addition to the duties of my

permanent

P.T.O.

permanent appointment to the Red Cross.

b) I may be allowed to state that though the problem of granting relief to the Refugees may have been partially solved and reduced in volume, there are resultant questions of a more permanent or enduring nature which will have to be properly met. In illustration, I may mention, housing, organisation of Industrial Training Centres, helping refugees to make the best of what money they have brought with them by starting an Industrial Banking Corporation, finding employment for refugees according to their talent and training, etc., on which I have submitted my proposals as early as March to May of 1948. These schemes have to be worked out and implemented. They cannot be dealt with in lump. Every case needs special investigation.

7 The Government Order continuing the Refugee Office terminated on 31-12-1948. It has been working for the last three and a half months without a specific Government Order, extending its continuance for another period or placing it on a permanent basis as part of a general Social Welfare Organisation, a proof of its necessity, as submitted in my Note on the subject as early as 23-9-1947.

final orders since issued.

8) I beg that these points may be kindly taken into consideration and orders passed so as to enable me to discharge this difficult and delicate responsibility in a befitting manner.

S U B M I T T E D:-

In continuation of the note No.1 already submitted on 7th January 1949, I wish to state the Government, in their No. 8971/C.B. dated 5-5-1949, have informed me that they cannot grant the request made in the Note - namely, that in view of the (1) emergent nature of the work, (2) the heavy strain involved in discharging the duties of an Office, previously held by an Officer of a Deputy Commissioner ~~grade~~, (3) onerous responsibility shouldered in the rather ~~different~~ difficult and dangerous situation, arising out of the partition of India and Police Action in Hyderabad, (4) the satisfactory way in which the situation was handled and the appreciation gained from all parties involved - I should be given the balance of the salary of the previous incumbent in Office as allowance.

Office of the
Organising Secretary
Indian Red Cross Society
(Mysore Branch)
No. 25
Date 26.5.49

I, who was asked to take up the whole responsibility of the work, should be remunerated accordingly and given the balance of the salary of the previous incumbent of the Office, as my Allowance for 5½ months from February 23rd 1948 to August 7th, 1948.

I ~~think~~ feel mine is a very sad case; at a time when the emergency was to be handled, I was chosen in view of my previous record of work and given the whole responsibility; but when the question of granting remuneration for the work came up, not only the matter was held up for over eight months but also the allowance granted was a meagre sum of Rs.80/-. Then it was subsequently after another few months enhanced to Rs. 150/-. I am greatly pained that the work so well discharged should be so little cared for.

It would be interesting to remember here that I did all that work that a Deputy Commissioner was doing as an independent job, in addition to my regular work. The strain involved has been so great and the expenses that I have been put to so heavy, that I cannot in all justice to myself, accept anything less than what an other Officer was being paid. The wages must be worthy of the work done.

The Government cannot forget that even when the Allowance asked for is granted, they would still -

P.T.O.

be making a saving of half the salary of the Officer without any loss of efficiency. It is also to be remembered that subsequently another Deputy Commissioner on a higher salary was posted to take my place, proving that the work done demanded an equally responsible Officer. Therefore, I submit, that the balance of the salary of the Refugee Commissioner be granted to me as Allowance for the 5½ months I worked then.

"B"

Then again the question of My T.A. has been treated differently from all others. Government in their Order No.9715/C.B. dated 25-5-1949 state that the rates of T. A. and D. A. that were already granted to me in the Government Order No. S.D.6357-59/A. 91-46-14 dated 28-2-1940 cannot be given now.

1. What is once granted to me cannot be taken away for no fault of mine.

2. There is provision in Queens Service Regulations for cases like mine, as per Article No.480, Appendix H, which has been in operation.

3. In cases of all ladies deputations, Government has been pleased to grant Air Passages and 1st Class Transport rates and I, who am one of the senior most women executive Officers of the State, whose work has been reported as being good uniformly and who has been more than once called upon by the Government to shoulder heavy responsibilities in emergencies, am denied the bare minimum of what it costs me to go about on Official duty.

When responsibility is great and of a higher order, the Officer has to maintain that status, which is consistent with it.

Therefore, the same rates of T. A. and D.A. sanctioned in Government Order No. S.D.6357-59/A.91-46-14 dated 28-2-1948 may kindly be ~~granted to me.~~ continued

"C"

Lastly, there is the question of my present Office.

Government, in Memo No. 2930/34/C.B. of 31-10-1948 abolished the post of Refugee Commissioner but not the functions and the Office. The latter were ordered to be handed over on 3-11-1948. It is again 7 months and in spite of my repeated requests to the Government to put the Office on a satisfactory basis, the matter is still pending. This has been a great handicap for me in the discharging of my duties.

The work and responsibility has in no way decreased. In fact, more permanent schemes in the Rehabilitation of Refugees have now to be implemented. Government have been sending me letters regarding drawing up of schemes for (1) Housing, (2) Grant of Loans, (3) Organising Training Centres in Industries both for men and women. All this involves heavy work and onerous responsibility.

How can all this be done when there is no Government Order fixing up my work, responsibility and position definitely? Even the day to day work - what should go as a matter of course, involves heavy strain for want of definiteness by a Government Order.

I was able to do a good bit of work both in connection with (1) the Red Cross by getting a promise of a lac for the State Branch, (2) the Refugee Rehabilitation by getting a promise of over 25 lacs of Rupees advance. My position as Joint Secretary when there was no Secretary at all, was nothing officially and in the absence of such authority, I had to depend more on my personal status only to deal with the situation. I had not even ordinary Official letter-heads to use during my negotiations. Had I the Official position consistent with the work I am doing and the responsibility I am shouldering, I could have done much more there and brought back with me definite proposals.

In considering my case, it may kindly be remembered that I am doing two jobs and am being paid only for one and that the one not being paid is the one involving heavier responsibility and greater work and acute mental strain every minute.

I, therefore, request that I may be confirmed

P.T.O.

as Refugee Commissioner and vested with full powers of the Office, as hereafter the work will be greater and the responsibility implementing the Rehabilitation Schemes even more onerous than it has been hitherto. I pray that the Government will be pleased to pass orders on this early keeping in mind that I have been ~~xxxx~~ really the Refugee Commissioner for over a year now and all that needs be done is to regularise the position.
